Dear Colleagues,

On behalf of all Organizers we have a pleasure and privilege to invite you to attend The 4th International Conference of Young Scientists - Chemistry Today (ICYS'14) which will be held on the 18-22 August, 2014 in Yerevan, Armenia. The conference is the fourth in a series of annual international conferences held every year in Tbilisi, Georgia organized by the Association of Professional Chemists of Georgia. For the first time the Young Chemists Association have an honored to continue this prestige tradition in Armenia, putting the cornerstone to its transformation into an interesting and important international event for young chemists.

The scientific program will provide an opportunity for participating young scientists to exchange new ideas and information on many issues covering all chemical topics. High-standard plenary and keynote lectures will be provided by outstanding scholars invited from prestigious research centers. The conference will be an occasion for the participants to make new acquaintances, share findings and strengthen networking and research collaboration. The Organizing Committee is sincerely making full efforts to feature wide-ranging and excellent scientific programs to ensure that you are up-to-date with the latest developments on current research in general fields of chemistry.

We also plan to present a breathtaking and an enthralling social program where you will fully enjoy the sights of Yerevan and Armenia as well as the pleasant interaction with other participants and colleagues, so that all delegates and accompanying persons can carry home good memories of the occasion in Yerevan and in countryside. Therefore, we encourage you to take this chance to explore the many faces of the beautiful city of Yerevan and experience the exciting ancient Armenian culture. All members of the Organizing Committee hope all of you will join us at ICYS'14 in the most beautiful season of the year in Yerevan, Armenia.

We look forward to seeing you in Yerevan in August, 2014.

Sincerely
Organizing committee
